## Y6 booster classes – starting term 4

Dear Parents/Carers,

With SATs fast approaching, we have decided that it would be beneficial to offer additional booster sessions for all children in Y6. Each session will have a focus on Maths or English and will consist of a mixture of teaching time, practising of skills and top tips regarding test techniques.

The sessions will take place for an hour each week after school on either a Monday or Wednesday and will start straight after school in the Y5/6 classrooms. Although these booster sessions will be optional, we strongly encourage all children to attend as the additional teaching time will no doubt be valuable in ensuring your child is as prepared as they can be. Last year, we were delighted that we had almost 100% Y6 attendance. However if your child is unable to attend due to other commitments, all the curriculum will be taught during normal lessons.

On ParentMail, there is a form which needs completing. Please indicate whether or not your child is able to attend and if so, on which day. Please note that if your child already partakes in a school-run club, they will be unable to stop however hopefully the choice of days will avoid this. Please also send your child in with a snack for them to eat after school to ensure that they are adequately fueled for the session!

We would be grateful if you could complete the form by Wednesday 12<sup>th</sup> February. The first sessions will be on either Wednesday 26<sup>th</sup> February or Monday 2<sup>nd</sup> March (due to the INSET day on Mon 6<sup>th</sup>).

Many thanks,

Y5/6 team
