

February 2021

Authors' Week & Book Fair 2021

Dear Parents/Carers,

This year's Book Fair is fast approaching ... arriving 'virtually' on **Friday 5th March** and will run until **Friday 12th March**. Please see the attached information on how to order from the book fair.

As a school we get 60% commission on the total amount we spend. Which has stocked up our class and library books over the years.

As we can't have real books in school for the children to see, there is a leaflet with all books available to order. All you need to do is complete the order form and return it to your child's class teacher by **Friday 12th March** at the latest.

There are two ways to pay:

Phone pay: The school account number is: 20202008

Gift Vouchers: <https://bookfairs.scholastic.co.uk/travelling-books/parents>

You will find more details on the order form attached.

Bedtime Story.

Unfortunately, we won't be able to invite the children in for a bedtime story this year so instead we have asked members of staff to record a story. These will be on the website for your children to listen to whenever they like from **Monday 8th March**. We hope you enjoy these.

House event and dressing up.

On Friday in school, we will be taking part in a house event within our own classes. This will give the children a chance to work on their story telling skills. To end the week, we would also love the children to dress up as their favourite book character or author on **Friday 12th March**.

Finally, during the week we will send you a 'Masked Reader' competition for your children to have a go at guessing who the teacher is behind the mask of a book. This is just for fun, however we will award house points for determination to anyone who brings in the correct answers during the week.

We know it won't quite have the same feel this year, however we are so grateful that the children will actually be in school for this week.

Thank you in advance for all of your support.

Nicky Ricketts and Charlotte Sellers
