### For Action

Who?	When?	What?
Whole School		<p><b>Covid reporting email address: <a href="mailto:covid@stjohnsprimary.org.uk">covid@stjohnsprimary.org.uk</a></b></p> <p>Please use this to report any pupils who have COVID-19 symptoms, need to isolate due to contact with a positive case or have any other Covid queries. <b>Please continue to report any cases throughout the Easter break so that we can act quickly if required.</b></p>
Whole School		<p><b>Adults</b> who live in a household of a primary (and secondary) aged pupil are now eligible for rapid lateral flow testing. This is the same test that is offered to school staff and is really easy to do. This <a href="#">link</a> will provide you with all the information that you need to get a kit for those in your household. We would recommend you consider doing this as it will help identify those without symptoms (about 1 in 3 cases) and gives a bit more reassurance for you and our community. This is recommended even if you have had the vaccine. Please also continue to wear masks when dropping off and collecting from school.</p>
