

# School Vision

Dear sports coaches, peripatetic music teachers and after school activity providers,

We just wanted to tell you a little bit about our St John's school vision and what it means. Our school vision is: **'Together, fly high like an eagle.'** (Isaiah 30:41)

For us at St. John's 'flying high together' means enabling everyone to be the best person they can possibly be, in all areas of their life. For example, being the best friend they can possibly be, the most helpful or performing in maths to the best of their ability. This is the bedrock of all that we do at St John's.

The school Christian Values (**Respect, Collaboration, Equality, Determination, Friendship and Positivity**) enable the vision to happen and underpin all that we do. For example, to be the best possible person you can be you need to practise the value of friendship.

So playing sport or a musical instrument to the best of your ability, with a positive attitude, is a key part of our vision. For example:

- When learning to play the piano, in order to 'fly high' and play it to the best of your ability you need to: show real **determination** & practise every day.
- When playing in a football team, in order to 'fly high' and play it to the best of your ability you need to: show real **determination** & practise, **collaborate** & work together with your team with a **positive** sporting attitude!

Thank you for taking the time to read this, any questions feel free to speak to us in person or email us.

From,

Rachel Lake (EYFS Class Teacher LRR & RE/Worship Lead) [LakeR@stjohnsprimary.org.uk](mailto:LakeR@stjohnsprimary.org.uk)

Laura Swithinbank (Year 5/6 Class Teacher WR & RE/Worship Lead) [SwithinbankL@stjohnsprimary.org.uk](mailto:SwithinbankL@stjohnsprimary.org.uk)
