

School newsletter copy:

Cycle Sunday on the Downs is back for 2020 on June 14th. Save the date!

Come and join us on Sunday June 14th for traffic-free cycling along Circular Road and Ladies Mile.

We need your help! If you would like to see more opportunities for children to cycle in our area and are interested in making Cycle Sunday a great event again this year, we would love to hear from you. Key things at the moment are looking for sponsorship for event costs and raising awareness on social media. Nearer the time, there will be posters and flyers to get printed and distributed. We will also be putting together a team of stewards for the event itself. Any help you can offer, however small, would be greatly appreciated.

If you would like to get involved or register for event updates, please email Vicki Cracknell on downscycle@gmail.com and join our Cycle Sunday Facebook group. More information, videos and pictures are at www.cyclesunday.net

Thanks so much, Vicki, Kate and Tony.
