## Viking Day (The History Squad) – Topic Launch

Dear Parents/Carers,

As part of our Vikings topic this term, we are excited to be able to invite *The History Squad* to St John's on **Monday 9th** and **Tuesday 10th November**. They will deliver a workshop to each class with the following dates:

Monday 9th: Guppy, Muller, Brunel  
Tuesday 10th: Cabot and Campbell

*The History Squad* have revised their offering in line with covid guidance and will be adhering to all safety measures the school has in place. They have provided a comprehensive risk assessment which has been thoroughly reviewed and accepted by the school. One facilitator will deliver all of the workshops keeping the recommended distance from the children. All artefacts and resources will be thoroughly sanitized before moving to the next pod.

The aim is to provide students with an experience designed to stimulate and encourage a love of history through real hands-on experiences of the past. Their junior History workshops for schools are presented by people with a passion for archaeology and history who are experienced historical recreationists.

On this occasion, we will not be asking the children to dress up as we are also busy planning an end of topic visitor and will save the dressing up for this.

We are sure this will be a highly valuable experience that really enhances children's learning and brings the past to life. We would therefore appreciate a voluntary contribution of **£4.80** towards the cost of the workshops, **to be paid by Friday 6th November**.

Yours sincerely,

The Year 5/6 Team
