## Lifeskills Workshops

Dear Year 5/6 Parents/Carers,

Usually around this time of year we would be visiting the fabulous Lifeskills at the Create Centre. Sadly, due to the ongoing Covid situation this is currently not possible.

However, the fantastic team at Lifeskills have put together a series of engaging and interactive videos to be used in school. The series of videos will form the basis of workshops which will be delivered by class teachers over the course of this term.

They will allow the children the opportunity to experience a range of real life and emergency situations which they may face at some point in the future. It teaches them how to react calmly and confidently in response to danger, for example a house fire.

- Workshop 1: Introduction, Shopping, Road 1 - Pedestrian, Road 2 – Road User, and Out and About
- Workshop 2: Drugs – Sorting Activity, Drug Effects, Electrical Safety - at Home, Electrical Safety – Outdoors, Indoor Hazards, and Gas Safety
- Workshop 3: Outdoor Play, Railway, Water, First Aid, and Fire

Even though it is disappointing not to be able to visit the Lifeskills centre in person, we believe it is vitally important for children to have access to this potentially life-saving learning.

The cost of the video subscription for all three workshops will be **£8 per child**. Please ensure you pay this voluntary contribution online using ParentMail.

We hope it will be a memorable experience for the children!

Kind regards,

Year 5/6 team
