5 January 2022

Dear Parents & Carers,

Falcons Class Forest School

We are delighted to be able to offer your child a term of Forest School using our Worrall Road Forest School area. These sessions will take place on Thursday afternoons during terms 3&4, January 20th to March 17th.

These sessions are based at our Worrall Road site and will be run by our Forest School Lead. If you have any queries about the session please feel free to email the Falcons class teacher, Miss Sellers Falcons@stjohnsprimary.org.uk.

There are times, due to exceptional weather, that the forest school site becomes unusable. On these occasions the Forest school leader will either plan Forest school activities off site eg the Downs or at the LRR site. You would be informed of these changes.

Your child will need to wear their Forest School base layers (long trousers, long sleeved top, warm socks) to school on Thursday mornings and bring with them a waterproof coat, waterproof trousers, wellies/snow boots, hat, scarf and gloves. As the weather this term can be very cold we would recommend that the children wear snow boot type shoes that will keep their feet warm and dry. **They need all these clothes regardless of the weather, as you know they will get muddy!** Any children going onto Shine Clubs will need spare dry clothes to change into.

Please complete the medical information form available on Parentmail by **17th January**.

In order for these sessions to go ahead we really value additional adult support, not only in helping walk the children between the school sites but also to work with groups of children. We, and the children, really appreciate any support you can give. If you are able to help at any of the sessions, from 1:00-3:30pm please sign up on this link:
