

Our School Council (this particular project led by Brianna and Sienna) have put together an optional homework grid of things that we would do at home to support Fairtrade Fortnight. There is no obligation but if you would like to do some of these things then let your class teacher know by either returning your grid with notes of what you have done or email some photographs by Friday 12th March.

Everyone who returns some work will receive a Fairtrade Fortnight certificate. Go for it!
