

Y2 Reading Record Guidance

★ This reading record is for **YOU** to write in rather than your grown-ups. We hope you enjoy personalising it and really making it your own. (You can ask you adult to help if you want to though)

★ Firstly, you can decorate the outside however you like to show your personal love of books, stories, characters, comics, basically anything **reading related** that matters to you. You might want to cover it or draw or write your own designs on it.

★ **Expectations:**

★ You must read and record in your reading record at **least 3 times a week**. Each time you read you must indicate the day by ticking on the grid at the front of your reading record. **Once a week** you must record a written response to the book that you have read.

★ **Include:**

★ A short date

★ The title of the book

★ A comment about what you read today; this could be:

★ Something you found interesting or funny, or gross, or unusual. It might be some words you came across that you weren't sure of or a new word that you now really love.

★ We would also love you to add a small review once you have finished each book – even if you didn't really enjoy it. This can be just a few sentences or more if you wish.

★ We would love to share your reading records in class every now and then to see what we are all reading and to give some recommendations or maybe to share books we didn't enjoy to discuss why.

★ **Some extra ideas:**

★ At the front of your reading record, keep a list of the books you have read – this will be a great thing to look back on at the end of each term it can also be useful to help others decide what they might like to read.

★ Reading Bingo – try to see how many different types(genres) of books you can read over each term. Challenge yourself to read something you don't usually read.
