Children in Year 2

Dear Parents/Carers,

Re: Transition to Year 3

Although it only seems like yesterday that your children started St. John's in Early Years, it is time to start thinking about your child's move to Year 3 and continuing their St. John's journey at our Worrall Road site.

We are very aware that many children and parents/carers don't really know the Worrall Road building, the facilities or the staff. Therefore, we would like to invite you to come and have a look around the building: pop into all the different classrooms; see the other facilities; talk to some of the staff and children, and hear a bit more from Mr Hoye about the way it all works.

We very much hope that you will be able to come and join us, with your child if you wish, at Worrall Road at 2:30 pm on Tuesday 28th March. You will be able to collect your Year 2 child from LRR at 2:15 and can then walk over to the WR site via the main entrance on Worrall Road. You are then free to have a look around the building, visit classes and talk to many of our Year 6 pupils who will be available to share their experiences and answer questions. We will then meet back in the hall at 3:00, for a brief presentation from Mr Hoye and a chance to ask any questions.

So that we have a sense of numbers and we can prepare your child to be picked up from LRR (if wished), please can you register your attendance via the link below:

We look forward to seeing you at Worrall Road and continuing our partnership to achieve the best for your child.

Kind regards
