

03 January 2024

Dear Parents & Carers,

## Falcons Class Forest School

We are delighted to be able to offer your child a term of Forest School using our Worrall Road Forest School area. These sessions will take place on Wednesday afternoons during terms 3&4, January 17th to March 13th.

These sessions are based at our Worrall Road site and will be run by our Forest School Lead. If you have any queries about the session please feel free to email the Falcons class teacher, Miss Lugg [falcons@stjohnsprimary.org.uk](mailto:falcons@stjohnsprimary.org.uk).

There are times, due to exceptional weather, that the forest school site becomes unusable. On these occasions the Forest school leader will either plan Forest school activities off site eg the Downs or at the LRR site. You would be informed of these changes.

Your child will need to wear their Forest School base layers (long trousers, long sleeved top, warm socks) to school on Wednesday mornings and bring with them a waterproof coat, waterproof trousers, wellies, hat, scarf and gloves. **They need all these clothes regardless of the weather, as you know they will get muddy!** Any children going onto After School Club will need spare dry clothes to change into.

In order for these sessions to go ahead we really value additional adult support, not only in helping walk the children between the school sites but also to work with groups of children. We, and the children, really appreciate any support you can give. If you are able to help at any of the sessions, from 1:00-3:30pm please sign up on this link:
