### Music

**Piano** This week, our fabulous piano teacher, Hannah Loach, hosted an informal concert for her pupils. Some of them are sitting their piano exams this week and next, so this gave them the opportunity to perform to their peers and practise managing any last-minute nerves! They were all marvellous - we wish them lots of luck and look forward to celebrating their results. **Ukulele** Mr Bee, one of our guitar and ukulele teachers, hosted a mini-concert at Worrall Road this week. The audience, made up of parents and pupils from year 3 and 4, was impressed by their musical discipline and technique and delighted to see how much they are enjoying learning to become musicians. Our audience also enjoyed taking the opportunity to ask Mr Bee a few questions about what it is like to be a working musician.

"Incredible! I knew it would be fun but I hadn't anticipated them learning so many skills and being so inspired."

We encourage imagination and resourcefulness, teaching skills & techniques rather than how to make the same, 'perfect' thing.

"You have changed her relationship with art. She used to hate it, it made her feel bad about herself. Now it's her favourite subject."
