Dear Parent/Carer,

The Nextgen photographers will be in school on Friday 3<sup>rd</sup> October to take professional, individual photographs. As we have children over 2 sites, we will use the following system that we hope will accommodate everyone's needs.

**All the children will have an individual photograph in their own building during the school day.** We will also ensure that children who have siblings **in the same building** will have a photograph together during the school day. The trickier element is organising those parents/carers who wish to have their child photographed with a sibling in a *different* building or from pre-school. We will have the following arrangements:

Building	Time	Who	Supervision
LRR (entrance via the side door)	7:50-8:30am	WR children with LRR siblings WR children with Pre-school siblings	Parents/carers are responsible for transportation and supervision
	8:15-8:50am	LRR children with Pre-school siblings	
LRR & WR	During the school day	WR children with siblings in WR LRR children with siblings in LRR	School staff will supervise these photos with the rest of the class

The photographs will be taken on a first come first served basis. As you will appreciate, in order to make the logistics work it is vital that everyone is on time, but as this is a little unpredictable please bear with us. Should the 7.50am shoot run a little behind, parents/carers of children at the Worrall Road site will still need to walk them to school, as staff are not able to walk the children back.

Thank you.
